

Increase your flexibility
with one machine and two rolls

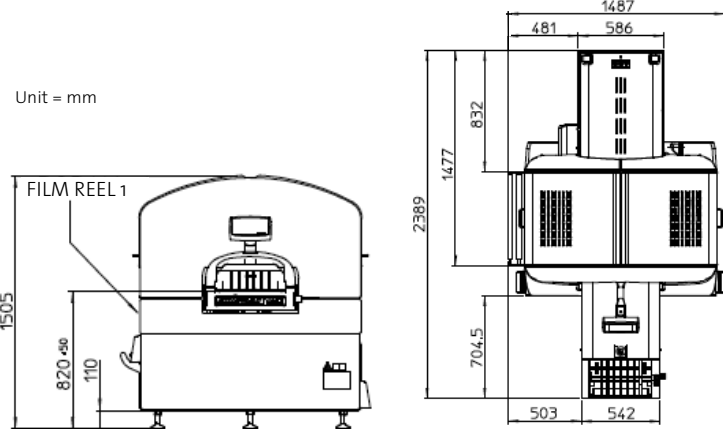

AUTOMAC 40

EN

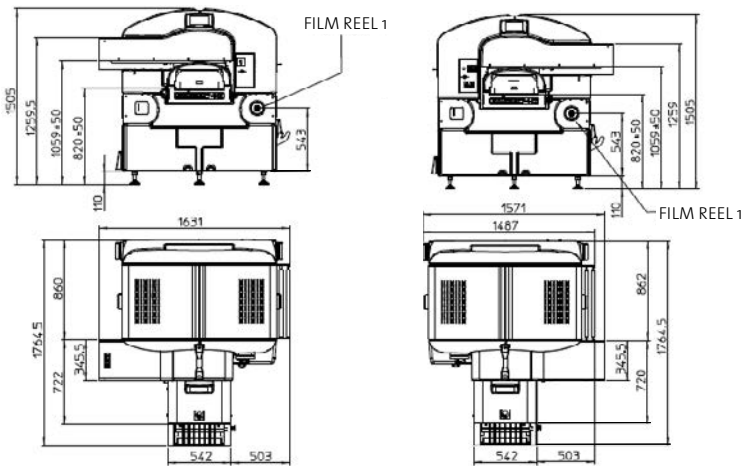

Automac 40 is *Fabbri Group's* all-in-one response to the diverse needs of high volume food processing facilities in terms of **usability, speed, versatility, compactness** and **strength**. Made in stainless steel, aluminium and plastic materials, **Automac 40** is compliant with all your local **safety and food standards**. Its **2nd film reel version** and **self-diagnostic properties** allow for **continuous production** with minimal interruptions. **Automac 40** functions with all major stretch films available on the market, reaching the best performances and the highest savings with *Fabbri Group's* certified **BIOBASED STAR FILM** and its other PVC/PE films, in **plain or printed** form for additional **communication and branding**.
